

## OZARK HIGHLANDS TRAIL MAINTENANCE REPORT

Maintainers who adopt their own section of the OHT agree to maintain it at least twice a year and report to the Maintenance Coordinator after each trip. Failure to do so in a timely manner will result in your section being given to someone else—there is normally a waiting list. Report forms are available online at [www.HikeArkansas.com/ohta](http://www.HikeArkansas.com/ohta), or you can contact the Maintenance Coordinator for more copies.

**PLEASE NOTE** that any person who is part of your maintenance crew and who is not a paying OHTA member will need to notify the forest service office for the district where you will be working **prior** to your work trip in order for them to be covered with government accident insurance. OHTA members are automatically covered.

Please fill out this form after each trip and send to:
